

Uniting for a Sustainable Uttar Pradesh: Jakson Solar's Partner Meet Strengthens Green Alliances

Jakson Solar reinforces its commitment to green energy by unveiling new HeliaNXT technology.

Prayagraj, 25th July 2024: Jakson Solar, a subsidiary of the leading energy and infrastructure solutions company Jakson Group headquartered in Noida, organized a Partner Meet in Prayagraj, Uttar Pradesh, partnered with Chawla Machinery. This significant event served to bolster relationships and establish new partnerships, thereby reinforcing Jakson Solar's footprint in the region. During the event, Jakson Solar unveiled their latest HeliaNXT modules.

The event saw an impressive turnout of around 55 dealers, industry experts, and potential customers, emphasizing the growing importance and adoption of solar energy solutions in the state. Underlining key government initiatives such as the PM Surya Ghar Yojna (PMSGY), the partner meet highlighted how these initiatives can be leveraged for sustainable growth.

*"Jakson Solar is dedicated to bringing solar power to everyone," stated **Mr. Anurag Garg, CEO of Jakson Solar Modules & Products Business.** "Our recent Partner Meet in Prayagraj and unveiling of the HeliaNXT modules underscore our determination to integrate solar energy into daily life. These latest modules boast an impressive output of 590 Wp, showcasing unparalleled efficiency and performance. By our recent Meets in the state, we're providing the essential tools and network to facilitate the regions and Nations's shift towards sustainable energy solutions."*

The Meet forged new partnerships to boost solar energy in Uttar Pradesh, showcasing Jakson Solar's innovative technology and strategic focus. The company intends to hold additional meets to maintain progress. By spreading advanced solar solutions nationwide, Jakson shows its dedication to leading the charge towards a sustainable energy future for the state and Nation at large.

About Jakson Group

Established in the year 1947, the Jakson Group has evolved from specializing in Diesel Generator Manufacturing to becoming a multifaceted Energy Solutions provider. The company's prowess encompasses Distributed Energy, Solar Power, Eco-friendly Energy sources, Alternative Fuels, and high-tech Energy Storage Systems, as well as Renewable, Civil, and Infrastructure EPC services. The Company has an extensive presence throughout India with 5 manufacturing facilities, 30+ Sales Offices, 7 international offices and a wide network of channel partners and dealers making it one of the top 10 energy companies in India. The company, with around 2500 employees, focuses on offering high-quality products and value-driven solutions. Drawing from extensive expertise in the Energy Industry, it serves more than 75,000 loyal customers. For more information on the Company, please visit www.jakson.com
