

Product Performance Testimony

Date: 16th May 2025

We “**Addwatt Power Solutions Pvt. Ltd.**” having office at **5th Floor, Suite No. 154, Tower A, Plot No. A 41, The Corenthum, Sector 62, Noida, Uttar Pradesh, INDIA- 201301** are pleased to share that the **Jakson Solar Modules** have been giving outstanding performance in our prestigious project constructed at Kashipur, Uttarakhand under the Open Access Pure Captive Scheme. We had chosen Jakson Group as our preferred partner for a cumulative supply of **13.60MW, 550Wp P Type Bi-Facial GTB** PV modules because of their excellent reputation in the market as a manufacturer of high-quality solar modules manufactured at their state-of-art facility in Greater Noida, India. Jakson solar modules undergo stringent quality control processes and are certified under IEC/BIS guidelines while meeting necessary ALMM requirements.

We are also very impressed with their proactive approach, customer-centricity and after sales services. We look forward to a long-term association with the company and would recommend **Jakson Group** to everyone who are looking to purchase a quality Solar PV modules.

Thanking You.
