## Product Performance Testimony

**Date: 16<sup>th</sup> May 2025**

We “Mittal Machines Pvt Ltd” having office at **108/3, Chander Nagar, Dehradun, Uttarakhand, INDIA- 248001** are pleased to share that the **Jakson Solar Modules** have been giving outstanding performance in our prestigious projects constructed at Bhatinda, Punjab for PEDDA. We had chosen Jakson Group as our preferred partner for a cumulative supply of **5MW, 555Wp P Type Mono-Facial** PV modules because of their excellent reputation in the market as a manufacturer of high-quality solar modules manufactured at their state-of-art facility in Greater Noida, India. Jakson solar modules undergo stringent quality control processes and are certified under IEC/BIS guidelines while meeting necessary ALMM requirements.

We are also very impressed with their proactive approach, customer-centricity and after sales services. We look forward to a long-term association with the company and would recommend **Jakson Group** to everyone who are looking to purchase a quality Solar PV modules.

Thanking You.
